## MONSTER COD FARE.

### Sch. Independence Has Biggest Salt Trip for Years.

### Capt. Cusick's Pet Craft Certainly Well Christened.

Sch. Independence, Capt. Joseph V. Cusick, arrived from Grand Bank Sunday with the largest salt cod fare of the season and one of the largest brought in by a Gloucester vessel for years, it being the maiden trip of this splendid craft. When Capt. Cusick kept her off for home she was nearly full, so she has indeed been well christened, and will make one of the biggest maiden trips on record. The fare is estimated at 375,000 pounds of salt cod and may even exceed this figure.

The Independence sailed from here May 13, and has only been gone a little over four months. Capt. Cusick, who is well known as one of the smartest of the younger set of skippers, has always been halibuting since he commanded a craft, and that he should get such a monster fare on his maiden trip salt fishing speaks volumes for his ability as a master mariner and fisherman, and he well deserves the good words of commendation he is receiving on every hand.

Capt. Cusick has plenty of praise for his new craft, both as to speed, comfort and seaworthiness, and with his crew voices the sentiment that "they don't make them any better than the Independence."

### Good Fares.

Sch. Kentucky, Capt. Elroy Prior, arrived from Western Bank this morning with a fine fare of 140,000 pounds of cod, 90,000 pounds of which are salt. Shackling or seining are all alike to Capt. Prior. He catches mackerel or cod with equal success.

Sch. Nereid, also from Western Bank, has a nice trip of 120,000 pounds of salt cod.

Sch. Tacoma, Capt. Daniel McDonald, has arrived from the Quero Bank with a splendid fare of 40,000 pounds of fresh halibut. This means a fine stock and share.

## SPLENDID YEAR'S WORK.

Sch. Effie M. Morrissey, Capt. Joshua W. Stanley, Stocks \$30,000.

Sch. Effie M. Morrissey, Capt. Joshua W. Stanley, on Wednesday settled up for a trip and completed an even year, and a most successful one for vessel, captain and crew.

From September 18, 1900, to September 18, 1901, the Morrissey made the magnificent stock of \$30,000, the crew sharing \$780. This is indeed a splendid record, and the crafts which excel or equal it are very few.

Capt. Stanley, though still a young man, has long been identified with the class of skippers known as "crack-a-jacks." Year after year he has always done well and his big record in the sch. Procyon, previous to his going in the Effie M. Morrissey, is well known. He is one of that steady, reliable class of men, who keep everlastingly at it and always have good returns to show for their labors at the end of the year.
